Well Here's What Stands Between Where You Are And Where You Want To Be:

- Most people get distracted and don't focus on what they REALLY want.
- Most people procrastinate and are stuck in their comfort zone
- Most people allow perfectionism to block action.
- Most people have NEVER been taught how to improve their mindset.

#3 – What Next?...

So you need to expand your comfort zone.
You **MUST** invest in yourself.

- Technical skills. You are at the right event!
- Mindset skills. You are at the right talk!

#3 – What Have Phobias Got To Do With This?...

- Phobias are extreme FEARS
 - Overcoming them seems impossible
 - Most can be cured in under an hour!
 - Resulting in a MASSIVE comfort zone expansion.
 - Who would like to know how to do that?
